

# Community Volunteer Expo

May  
21

CCNI is bringing people across Moree together to explore volunteering opportunities **in one place**

The Community Volunteer Expo is a chance for people across Moree to meet local organisations, discover volunteering opportunities, and find out how to get involved in activities that support the community. Whether you're looking to build confidence, learn new skills, meet people, or contribute your time in a meaningful way, the Expo brings everything together in one place.

The Expo is part of a broader local volunteering initiative at CCNI's Moree campus that helps community organisations strengthen their volunteer programs and connect with people interested in getting involved. Local groups and volunteer managers are encouraged to take part and share opportunities with the community.

**Participation in the Community Volunteer Expo is free and includes morning tea.**

-  Meet local organisations working in your community
-  Learn how volunteering can build skills and confidence
-  Find opportunities that suit your interests and availability
-  Get information about support and training available locally
-  Talk with CCNI's Outreach Support Officer about getting started

People of all ages and backgrounds are welcome, including young people and people interested in getting involved locally for the first time. **Join us at the Expo on Thursday 21 May from 9am to 12pm** at Community College Northern Inland's Moree Campus, 53 Greenbah Road, Moree. | Phone (02) **6751 1430**
